

## ***CNADC Dance Categories***

- **Country Dance is remarkably gaining in popularity.**
- **The North American Country Dance Championship is a noteworthy event significantly gaining ground as it allows all dancers another opportunity to acquire experience, show-off their talent and exhibit their style.**
- **In Quebec, three different events promote Country Dance.**
- **The North American Championship is a continuity of this.**
- **Europe is experiencing a Country Dance furor as never seen before. The Championship of France (Championnat de France) is an example of this fascination.**
- **The different types of competition dances are also a reflection and result of these various events.**
- **We have added partnered dances which are very popular in Quebec as well as a special category for Choreography Professionals.**

**Please join us in large numbers to all the *free* classes during the North American Country Dance Championship Festival on August 29<sup>th</sup>, 2010.**
